Tastes good.

About This Collection

In the sprawling Big Green Vaira universe, Liz and Meru get a taste of their own medicine as tentacles coil and bellies deform in a dark ritual. From Breeding the Princess to the Vaira Chronicles, these 3DCG animations deliver impossible fits, DAP action, and total surrender to the Temple of Coom. Tillie and R’Shiru join the monstrous fun in this hentai gallery. Click the link above to view the full set.
